

EDUSOURCE DISPATCH NO. 7

May 23, 2003

UPCOMING EVENTS:

Industry Forum in Montreal

The eduSource team in conjunction with LICEF and with the support of CANARIE and Industry Canada will be holding a one-day Industry Forum on June 5, 2003 in Montreal. This is an opportunity for representatives from industry to meet with the eduSource team and learn more about learning repository technology, standards and digital rights management. For more information or to register for the event contact Deborah Kaloudis at deborah@netera.ca

Industry Forum in Moncton

The eduSource team furthers the information road trip with an Industry Forum in Moncton, New Brunswick. TeleEducation NB with the support of CANARIE and their eduSource project partners host the event on June 12, 2003, at the Howard Johnson Plaza Hotel, 1005 Main St., Westmorland Room. A LIVE webcast on Digital Rights Management will also take place at the event. Details on accessing the webcast to follow.

MERLOT Conference

This year's MERLOT International Conference will take place from August 5 to 8, 2003, in Vancouver at the Hyatt Regency Vancouver. This year's theme is Meeting Today's Challenges through Collaboration, Community and Concrete Approaches to Academic Technology. Visit <http://conference.merlot.org/> for more details.

SPECIAL ISSUE ON REUSING ONLINE RESOURCES (APRIL 2003):

This is an Invitation to participate in a worldwide, online debate on Reusing Online Resources for Learning and Teaching.

This special issue develops a range of critical issues highlighted in a recent book on Reusing Online Resources: www.reusing.info (Littlejohn, Kogan Page, 2003). Invited commentaries from a collection of international, renowned experts have been sourced, each one critiquing a chapter and seeding the debate with key issues for authors and others to engage with.

COGNISOURCE IS YOUR WEB SITE:

CogniSource <<http://www.cognisource.ca/current>> is the interactive community space for the eduSource Canada project. CogniSource provides a self-service knowledge management environment that includes:

- . Interactive community services
- . Topical articles and opinion pieces
- . Discussions
- . Streaming media resources and webcasts

If you have an interest in the development of learning object repository networks, we invite you to sign in and join the CogniSource community. You can also access the eduSourceCanada Business Models webcast archive at <http://www.cognisource.ca/Members/davidp/Webcast1_clips>
