

## **EDUSOURCE DISPATCH NO. 1**

October 16, 2002

### **Welcome!**

Welcome to the inaugural edition of the eduSource Dispatch. This email bulletin will go out to all partners twice a month. It is an opportunity to highlight events, special contributions, and to announce news bulletins. All partners are encouraged to submit news information to [deborah@netera.ca](mailto:deborah@netera.ca)

### **Kick-Off Meeting and Materials**

The collaborative spirit and expertise of all partners in defining project work-packages and efforts in this first meeting were very much appreciated. Please find the joint PowerPoint presentation, photo gallery and a detailed contact list at:

### **Email Group Lists**

Our email listserv is up and running. We were experiencing some trouble using the moderated format. Either the .netera.ca or the .ucalgary.ca extension will work.
